Hell's Kitchen's Big Gay Lobby, Big Gay Swimming Pool Previewed

Friday, September 24, 2010, by Joey

[HotelChatter](#) points out that the website of [Parkview Developers](#) has a few more renderings of **The Out NYC**, the Hell's Kitchen "gay urban resort" that will include an Axel Hotel, gigantic nightclub and much more in a building that was once a homeless shelter and Travelodge. Check out the curves on the Richard Serra-inspired lobby above, and also in the gallery you'll find a preview of the glass-enclosed courtyard and swimming pool, which appears to have **see-through sides**. All the better for peeking!
