OUT NYC Hotel, First LGBT Boutique Hotel In New York, To Attract Growing Tourism Trend

Posted: 03/16/2012 9:34 am Updated: 03/16/2012 9:34 am

(Reuters) - The OUT NYC hotel boasts two hot tubs, a secret garden, its own nightclub and the title of Manhattan's first boutique hotel built specifically to cater to millions of gay tourists to New York.

The hotel, not far from Times Square and Broadway theatres, also hopes to cater to the friends and families of its gay clientele. And so, turning an old concept on its head,

the owners of the hotel like to describe it as "straight-friendly."
